CLIMATUBE® protect

BODYGUARD FOR COLD WATER PIPES

Prevents corrosion of cold water pipes and protects the pipe system from condensation water.

- PE pipe insulation
- Protection from condensation water, rust and mechanical impact
- Scope of application: cold water pipes
- Insulates against pipe noise (crackling noise)
- With practical mounting aid attachment
- Robust outer skin protects against mechanical stress
- Fire class E: (normal flammability)
- Usable for pipe temperatures from 0°C to +100°C

Insulation thickness	Pipe Ø	Unit
4 mm	12-15 mm	10 m
4 mm	18-22 mm	10 m

Accessories

- 1 PVC adhesive tape (30 mm x 33 m) for taping the joints
- 2 PE wrapping tape (50 mm x 10 m) for insulating difficult-to-reach areas
